

Avalanche Awareness Skills

Training Course:

Several members have been inquiring about avalanche awareness training.

Clare has been in contact with the MCofS who have run some very good courses for us in the past. Unfortunately they are unable to provide us with a course this season but would be happy to set up some training early in the year, next winter.

Would a club member like to take on the task of organising this on behalf of the committee?

Please email chair@estc.org.uk for more information or to offer to arrange a course.

DVD for hire:

In the meantime, the club has a copy of a DVD on the skills required for back country skiing, including avalanche awareness.

Any club members may borrow this for a deposit of £5.

If you are interested in hiring the DVD, please email chair@estc.org.uk.
