

ESTC AGM: Thursday 20th May 2010 at 7pm

Notice is given that the next Annual General Meeting will take place on 20th May 2010 at The Grange Tennis Club, Portgower Place, Edinburgh.

There will be a light supper available from 7 pm and the meeting will start at 8 pm prompt.

All members are encouraged to attend the AGM and to participate in the running of the Club. Please let Chantal (secretary@estc.org.uk) know by email by Friday 12th May if you intend coming and if you would like also to eat. If you would like to add anything to the agenda for the meeting, please let Chantal know.

The committee for 2009/10 were given the task at the AGM 2009 of identifying areas in the Constitution that could benefit from being updated and/or reviewed. If you would like a copy of the Constitution with the proposed amendments that have resulted from the review, which will be discussed and voted on at the AGM 2010, please contact Chantal. If you would like to submit comments about the proposed amendments please contact Chantal by email by Wednesday 28th April with your comments.

This year there will be churn in the committee with a number of the current committee deciding to stand down. This opens the opportunity for other members to register interest in joining the committee. Please contact Clare (chair@estc.org.uk) for an informal discussion about joining and the roles that need to be filled.

Also the non-committee, but nonetheless very important, post of enews editor needs to be filled. If you'd like to do it Clare will be delighted to hear from you. If you want the low-down on it, first contact Tiana (enews@estc.org.uk).
